RE: P80002884 The Impaler For President 2012

To Whom It May Concern,

This letter is to serve notice that effective immediately I am ending my campaign for President as a Republican for the 2012 election year.

However, I respectfully request that my campaign committee with the FEC remain active, for though I am not running in 2012, I have all intentions of running in 2020.

I do not excuse my campaign of any and all debts owed to me.

Additionally, immediately after filing my statement of candidacy with the FEC, I had a disagreement with Wells Fargo Bank who had just taken over Wachovia Bank, so my presidential campaign account was closed. Hence in accordance to FEC rules, I could not receive any contributions, or make any expenditures. I am happy to say, the person who crossed me at Wells Fargo is no longer working for the bank.

Since I know the media will read this letter, the reason for my withdraw is simple... I have movie offers from Hollywood, and they will pay me better than what the office of POTUS does.

Please feel free to contact me at the above address if there are any questions or forms I must fill out.

Very Truly Yours,

  
Jonathon The Impaler Sharkey, Ph.D., L.D.D.D.
